### TESTIMONIAL

For  
Toh Jun Sheng  
Special Project Ignite Change

#### Chairperson

Aug 2024 - Aug 2025

The Welfare Services Club (WSC) is Nanyang Technological University's (NTU) non-academic constituent club that advocates for volunteerism amongst its students. As one of its Special Projects, Ignite Change (IGC) aims to ignite the spirit of volunteerism among NTU freshmen by exposing them to specially crafted games and activities through the 3-days freshmen orientation programme.

Toh Jun Sheng served as the Chairperson of IGC during the Academic Year 2024/2025. He played a pivotal role in spearheading WSC's Freshmen Orientation Program (FOP), the portfolio's biggest event held every year for incoming freshmen. IGC's FOP is organised with the primary objective to raise awareness about volunteering to prospective NTU students and introduce them to a variety of volunteering opportunities offered by the WSC portfolios. His responsibilities included supervising the planning by the main committee, supporting the financial accounts and logistics procurement, as well as spearheading the execution of the orientation program.

Another notable example of Jun Sheng's tireless dedication is IGC's collaboration with Muscular Dystrophy Association Singapore (MDAS) where the members volunteer and interact with the MDAS community and foster good relations with the beneficiaries. Through this event, Jun Sheng maintained good relations with the MDAS community and its leaders through his mission to spread joy and fun to the service users with his members. Jun Sheng's collaborative spirit is thus made evident by his strong interpersonal communication skills that he displayed consistently throughout his term.

Hence, Jun Sheng's unwavering dedication, hard work, and positive attitude has left a lasting impact on the portfolio, setting a high standard for future chairpersons to follow suit. With his skills and determination, Jun Sheng will continue to excel in his future endeavours and make significant positive impacts wherever he goes.
